It must have been cold there in my shadow
To never have sunlight on your face
You were content to let me shine
That's your way
You always walked a step behind

So I was the one with all the glory
While you were the one with all the strain
A beautiful face without a name
For so long
A beautiful smile to hide the pain

Did you ever know that you're my hero?
And everything I would like to be
I can fly higher than an eagle
For you are the wind beneath my wings

It might have appeared to go unnoticed
But I've got it all here in my heart
I want you to know, I know the truth
Of course I've known it
I would be nothing without you

Did you ever know that you're my hero?
And everything I wish I could be
I can fly higher than an eagle
For you are the wind beneath my wings

Did I ever tell you, you're my hero?
You're everything, everything I wish I could be
Oh and I, I can fly higher than an eagle
For you are the wind beneath my wings
