YOU WERE THERE

I was wondering around
so desperat to find something to hold on to
While the pain wood suppsayd
try to hide the tears of mine but you
saw the heard and see behind..

and...

REF:

you where there with youre care
you showed me love made me understand
Chased away all my pain
you feel the need that grew with in me
feel free but finaly some peace in my fear
cus you where there

IÂ´m not always so strong as I
Made seem to be many bin the sea
just because they havent seen me cry
aha..
it doesnt meen that I
havent got the need to feel love.

but..

REF:

you where there with youre care
you showed me love made me understand
Chased away all my pain
you feel the need that grew with in me
feel free I finaly found peace in my
fear cus you where there
You where there
you where there

REF:

you where there with youre care
you showed me love made me understand
Chased away all my pain

you feel the need that grew with in me
feel free I finally found peace in my
fear cus you where there

REF:

you where there with youre care
you showed me love made me understand
Chased away all my pain
feel free I finally found peace in my
fear cus you where there
you where there

(bara Maria) you where there
