[SCHLOMO]

We have arrived at a moment in our lives
When the future passes into our hands
We can find out are we really strong enough
To fulfil what the future demands?

[SERENA]

We can stand on the edge and look out into space
And be awed by the wonders we see
We can all make a pledge
That the whole human race
Will become what we want it to be

[ALL]

Bring on tomorrow
Let it shine
Like the sun coming up on a beautiful day
Its yours and mine
We can make a difference
Its not too late
Bring on tomorrow
We can't wait

[MABEL]

Long, long ago, in a world we never made
We were children who were making believe

[SERENA & LAMBCHOPS]

Closing our eyes
We were travellers in air
To a land we would not want to leave

[JOE]

But this fairy-tale land

[TYRONE] But this fairy-tale land

[JOE] Fades away as we grow

[TYRONE] Fades away as we grow

[JOE & SCHLOMO]

And we all have to say our goodbyes

[TYRONE]
Bye bye bye

[MALE STUDENT]
And we now understand
That this world that we know
Can be ours if we open our eyes

[ALL]
Bring on tomorrow
Let it shine
Like the sun coming up on a beautiful day
Its yours and mine
We can make a difference
Its not too late
Bring on tomorrow
We can't wait

Bring on tomorrow, we can't wait
Bring on tomorrow, its not too late
Bring on tomorrow, we can't wait
Bring on tomorrow, we can't wait

Bring on tomorrow
Let it shine
Like the sun coming up on a beautiful day
Its yours and mine
We can make a difference
Its not too late
Bring on tomorrow
We can't wait

[SOLOS]
We can't wait
We can't wait
We can't wait

[ALL]
Bring on tomorrow
We can't wait
