You see there's this girl in dance  
And every time I see her  
Something just comes over me

Well, you know what it's like  
When you wake up in the morning  
And it's hard  
Standing up straight at attention like the changing of  
the guard  
Or how it is in a pornoshop  
When you put your quarter in the slot  
And you try to look cool  
So nobody knows that your hot

You go to a club  
And your high on some fine marihuana  
And the singer in the band  
Got all of her moves from Madonna  
And you wanna

Or late at night you're in home in bed all alone  
and it's cold out  
You put your hand where it's warm  
As you open up Miss January's fold out

Well that's how it is  
When she's around  
And i can't, no i can't  
I can't keep it down

I can't keep it down  
When that girl's around  
I can't keep it under my control  
I can't keep it keep it down  
No no no no i can't

I wanna i wanna i wanna rock and roll!

-Teacher- All right mr. Vegas, the joke's over

+Joe Vegas+ I got another one! This one's REALLY  
painful

-Teacher- Alright go but I'm warning you!

Im thinking about the time in my life when i first  
learned what crying was  
The first time I ever had to come face to face with what  
dying was  
The relatives gathered all in black to mourn for my  
greaunt Antionitta  
When who comes through the door to pay her respects  
but our cousin Conchitta

The tears in her eyes only made them look even more  
spanish  
As i watched her I could swear i could feel the floor  
under me vanish  
So she goes to them all and she finally comes over to  
me  
and she kisses my cheek I lower my eyes i can hardly  
believe what I see  
caus I'm looking down the front of her gown  
and I can't, no I can't, I can't keep it down!  
I can't keep it down  
When that girl's around

I wanna i wanna i wanna rock 'n roll!  
Rock 'n roll!  
I wanna rock 'n roll!
