This ain't no
Movie show
Playin' in the theater
Or a video
Fantasy
I was always hot to see
On the T.V.

I'm so hot, hot to trot
I can hardly wait to show them what I got
Wonder who'll come out shinin' like a jewel
In the 'Fame' school

I'll be gone
Where's the John
Man they got me running
like a marathon

Can't slow up
I'll go home and not show up
Maybe throw up!

Class to class, tryin' to pass
learnin' who the teachers are,
who bust your ass
Feelin' small, feelin' up against the wall
during roll call

Here we are
So bizarre
This is where they show you
How to be a star

I can't wait
I can't even concentrate
I just pulsate

I'm alive and I will survive
Show the world that I can take it
When I hit the heights
Put my name in lights

Show the world that I can make it
By doin'....
By doin'....
doin'...

Wowowo wowowo doin'...
Wowowo wowowo doin'...
By doin', doin'
By doin' hard work
By doin' hard work
By doin' hard work

Acting is the hardest profession in the world, hard
work!
The hardest profession in the world

Dance is the hardest profession in the world
The hardest profession in the world, hard work!

Music is the hardest profession in the world
The hardest profession in the world, hard work!

I'm alive and I will survive
Show the world that I can take it
When I hit the heights
Put my name in lights
Show the world that I can make it

By doin', doin', doin', doin'.....
By doin' hard work
By doin' hard work
Hard work!
