We always seem to be, sister and brotherly, its such a  
lovely way to be  
And i want to say what it means to me,  
how i could never be the same...without you  
And something more than i know tho i never could  
show  
How it kept on growing

The way I know I really feel about you  
The way I know I'll always feel about you  
Why can't we, why can't we, why can't we try....

To play a love scene  
We don't need the violins to play a love scene  
Where we see how love begins  
Find a way to start  
And learn to play the part  
Of a perfect scene from a play unknown  
lets play a love scene  
Of our own.....
