"Face Down"

I shut my eyes in search of sleep
Tossed and turned and hoped for dreams
Awakened by a voice that was so clear,
It felt so near to me

I want your love I need your touch
I've been missing you so much
I reach out for your hand,
And now it feels like I am falling

Down, Down, Down
Till I Kiss the Ground, Ground, Ground

[CHORUS]:

Fall Down with my Face Down
Giving up Me, Myself and I
It's a Bittersweet Taste to Swallow my Pride Now

Face Down is Where I Stay Now
If You See Me Standing Up Again
Just Knock Me Back Down so I can Live
Face Down

[V.2]
I'm on my face again
It's where I should have been
It brings me back to where I found you,
Where I first fell for you

No more depending on myself
It's you and me and no one else
You stretch out your hand
And now it feels like I am falling into

Love, Love, Love,
Can't get enough of Love

Chorus

I got to live face down
