I'm ghostridin'  
Yeah I'm buckwildin'  
Move out the way  
Cuz there ain't nobody drivin'

Ghostride the whip  
Yeah I'm dancin' on the hood  
Ghostride the whip  
Shawty knows I'm lookin' good

I'm ghostridin'  
I whip it straight out an'  
Stun like a G  
Cuz there ain't no way to hide it

Ghostride the whip  
Gonna take it for a stroll  
Ghostride the whip  
Walkin', walkin', walk and roll

If you trippin' on yourself  
You'll be chasin' that whip  
Don't do it like that shawty  
Do it like this  
You'll get yourself killed  
If you don't do it right  
Throw it down into coast to  
Step to the side

Watch it roll on  
Watch me campaign  
Ghostride around the world  
Yeah, I make my own lanes  
Droppin' right in on a one ton wave  
Yeah I'm surfen' on the hood of my Chevrolet

Ride low first class  
Nobody sittin' 'hind my dash  
Don't drive too fast  
You ain't showin' out unless you got whiplash

Watch out, I hear the 5-0  
Ghost bustas, here come the po po  
You think you can catch this  
But I know that you won't  
Like Houdini, you see me now you don't

Uh oh Uh oh  
Where they at, where they go?  
Uh oh Uh oh  
Disappearin' like a ghost  
Kick back on the windshield  
Feelin' so nice  
This is how we do it  
Ghostride

Woo woo Ghostride the whip  
Yeah I'm ridin' that whip  
I'm straight ridin'  
Ain't nobody drivin'  
Street ridin'

Chop top, shaved doors  
Can't stop lookin' at my 24s  
Bet you were wishin' that you could shine like this  
You can't even hate on me cuz you don't exist

Make room for the captain  
I need clear sailin'  
Hands off the whip  
Unless you're doin' detailin'  
Screamin' like a banshee  
When I pop that clutch  
Errybody hear me comin'  
Cuz I rattle that trunk

Girls comin' atcha  
Don't let the ghost catch ya  
Nippin' at your heels  
Drivin' outta control  
Even tho you try to  
You'll never do like I do  
You wanna ghostride  
Cause I make 'em say woah
