Keep the party alive

Hey, where my people at?
How come ya'll ain't movin' yet?
Your party is a zero
Your party needs a Hero

Why you playin' that song?
Let me get my iPhone
Move it, DJ!
Let me get my playlist on

Step up in the club, like a thug
People know me
Superstar status on the... Boy,
You can't control me

P-A-R-T-Y! We love to party
Live to party, keep the party alive... BOO-YAH!

[Chorus]
We keep the party alive (keep the party alive)
We're stayin' up all night (stayin' up all night)
It goes on and on, 'till the break o' dawn
We keep the party alive (keep the party alive)

E'rybody knows that
I get ur girl to hollar back (Hey!)
I'm like a kamikazie, suprise attack
(Rat-tat-tat!)

Step up in the club, like a thug
People know me
Superstar status on the...
We keep the party alive

[Chorus]
Don't tell me when the Sun comes up
'Cause we're all chanting, "Let's keep dancing!"
No time to be tipping out
'Cause the clock says I keep the party alive, Yeah!

Keep the party alive [x3]

[Chorus x3]

Keep the party alive [x3]
