You stand there with ur long black hair
Looking so fresh with ur Savoir Faire
U' ve got the coolest friends
They're up to date with the latest trends
Independent in your own world
Rock the life gurl. Rock the life gurl
The DJ starts to play underground hits from What's
their name?
You're looking kind of anxious your with ur back up
against the wall
Don't this kind of music make u want to move at all

[Chorus]

Don't u walk away from me
'cause I got to get you next 2 me
If you've got game gurl step 2 me
Lose them friends and Dance with me
Dance next 2 me, Dance next 2 me

Oh please Oh please Oh can't you see
That I got to get you b-ha-bay
To lose urself with me
I must say that you captivate
In so many ways that I can't relate
But I want to be your latest thing
For you gurl I'd do anything
I've never been attracted to a gurl that's quite like you
We've got more in common than you think. You make
me move
So what you gonna do gurl
What you gonna
Gonna do

[Chorus]

Don't u walk away from me
'cause I got to get you next 2 me
If you've got game gurl step 2 me
Lose them friends and Dance with me
Dance next 2 me, Dance next 2 me

Oh please Oh please Oh can't you see
That I got to get you b-ha-bay
To lose urself with me
Lose urself, lose urself
Lose urself, just lose urself

[Chorus]

Don't u walk away from me
'cause I got to get you next 2 me
If you've got game gurl step 2 me
Lose them friends and Dance with me
Dance next 2 me, Dance next 2 me
Oh please Oh please Oh can't you see
That I got to get you b-ha-bay
