I hear your boyfriend's jealous
Sweating at the neck, yeah, a little bit nervous
There's nothing wrong with havin' some fun
I bet you he's thinkin' it's love on the run

Don't want to push-push and shove ya
But you can't help it that you want me so much-a
He's gonna have to face the facts
Once your with me, there's no turning (back)
Backstage and behind the scenes
I change-change so naturally, because

It's not my fault, that I'm so good lookin' and
It's not my fault, that I've got somethin' cookin' and
Just look into these eyes
To let you know that: I'm the Master of Disguise
(I am the Master of Disguise)

(Master of Disguise)

Everybody knows, when I drop, it's like the H-Bomb
Make you lose your breath (inhale) and then some
Take a picture, 'cause it won't last long
I change my face like a chameleon chameleon-er-a
Our relationship goes, you know it's all part of the
show, because

It's not my fault, that I'm so good lookin' and
It's not my fault, that I've got somethin' cookin' and
Just look into these eyes
To let you know that: I'm the Master of Disguise

(I am the Master of Disguise)

It's not my fault, that I'm so good lookin' and
It's not my fault
It's not my fault, that I've got somethin' cookin' and
(I'm the Master of Disguise!)

It's not my fault, that I'm so good lookin' and
It's not my fault, that I've got somethin' cookin' and

Jus look into these eyes
To let you know that: I'm the Master of Disguise
(I am the Master of Disguise)

It's not my fault, that I'm so good lookin' and
It's not my fault, that I've got somethin' cookin' and
Jus look into these eyes
To let you know that I'm the master of disguise
(I am the master of disguise)

It's not my fault(I'm the Master of Disguise!), that I'm
so good lookin' and (I'm the Master of Disguise!)
It's not my fault(I'm the Master of Disguise!), that I've
got somethin' cookin' and (I'm the Master of Disguise!)
It's not my fault(I'm the Master of Disguise!), that I'm
so good lookin' and (I'm the Master of Disguise!)
It's not my fault(I'm the master of disguise!), that I got
somethin' cookin' and (I am the Master of Disguise)
