I've got Bonnie
Sweet sweet Bonnie
And all my lonely days are through
Now, now, now I've got Bonnie
Sweet sweet Bonnie
Made all my dreams come true

(Doop doop, doop doo doop doo doop)
(Ah-oooh ah-ooop)

Once I used to cry
Nobody cared if I would live or die
But then one lucky day
I met a girl that heaven sent my way

Now I've got Bonnie
Sweet sweet Bonnie
And all my lonely days are through
Now, now, now I've got Bonnie
Sweet sweet Bonnie
Made all my dreams come true

(Doop doop, doop doo doop doo doop)
(Ah-oooh ah-ooop)

I don't drive a car
I'll never be a famous movie star but
Still I wouldn't switch with someone else
If he was twice as rich

'cause I've got Bonnie
Sweet sweet Bonnie
And all my lonely days are through
Now, now, now I've got Bonnie
Sweet sweet Bonnie
Made

All my dreams come true
