I give my props to the speak and spell
It taught me grammar in the A-T-L
Growing up as a kid in Marietta
I puts those beats all into my CD Player
Played the footloose all night on my Casio
Dreamin' of hearin' my songs on my stere-ere-o
And I haven't stopped to this day
Give me a guitar and I will start to play-ay

Why do you wanna dance?
It's the expression I feel when I hear the music in my
ear
Why do you wanna sing?
It's the sound coming out when I'm communicating

[Chorus]

Rollin' around, Servin' it up
Bringin' us some Cadillac Phunque
Rollin' around, Servin' it up
Bringin' us some Cadillac Phunque
Rollin' around, Servin' it up
Brought ya'll some Cadillac Phunque
Rollin' around, Servin' it up

Back to the story and I hit the streets
I throw my boombox on my shoulder as I feel the beats

Pumpin' up the footloose by Kenny Loggins
Sound hits my ear, It's got my head a-boppin'
To my ESE's house I wanna go
Bust out the Contra, Let's play Nintendo
Yes, yes, let's dig through the crates
Serve me up a Lumpa and I will throw it on yo plate

Why do you wanna dance?
It's the expression I feel when I hear the music in my
ear
Why do you wanna sing?
It's the sound coming out when I'm communicating

[Chorus]

Rollin' around, Servin' it up
Bringin' us some Cadillac Phunque
Rollin' around, Servin' it up
Bringin' us some Cadillac Phunque
Rollin' around, Servin' it up
Brought us some Cadillac Phunque
Rollin' around, Servin' it up

[Breakdown]

[Chorus x2]

NOTE: Durring the [Chorus], the last time they sing the
[Chorus], it's "YA'LL" some Cad. Phunq.
