Chicka-pow! Don't shoot me down
Oh no! How low can you go?

Drivin' fast to get to work
Queen is there just bein' a jerk
Runnin' her mouth a million miles an hour
She's talking trash
It's going sour
That stuff that makes you hurt!
Cut you down, make you hit the dirt!

Say, she's got that DIVA thing
That D-I-V-A diva thing
Say,

Why can't you say you're sorry
For treatin' me so naughty?
Just want an apology
Is that against your personal theology?
What'd I do to deserve this?
How'd I get on your mad list?
Just want to make it right
Please, Queen, please
Let's not fight!
Let's not fight, Let's not fight, I don't wanna fight
tonight
You had your chance to right your wrong
Can't we all just get along?

[Chorus]
You go and talk behind my back
Don't you know that's wack?
It's a personal attack
Oh snap!
Some friend you are to me
You're Miss Personality
Are you blind to see
You're such a Drama Queen?!

Fresh off the chopping block
She cut me deep and it hurts a lot
She hit me with her best shot

And never gave a second thought
That's too much Drama for me mamma
Why do you like to stir it?
When I am near, you throw fits
You cry, "Oh me, me, me!"

Ain't you got no decency?
You dish it out; I take it
I wish you'd just stop fakin'
In your mind your grass is green
But I know you're a Drama Queen
You're such a, You're such a, You're such a Drama
Queen!

[Chorus]

You go and talk behind my back
Don't you know that's wack?
It's a personal attack
Oh snap!
Some friend you are to me
You're Miss Personality
Are you blind to see
You're such a Drama Queen?!

She a Drama Queen (if you know what I mean)
She get under your skin and make you scream,
"Ow! Drama Queen!
I need a vaccine, 'cause you so mean!
You got a disease I don't need, and it pays no heed to
get it,
So better quit it!
'Cause a friend in need is a friend indeed, and you
ain't that!
You're a Drama Queen!"

Emphatic, dramatic, you're like a psychosomatic
You're always so problematic
You're drama is cinematic
There's no comparison to the damage you've done
But you've only begun with your hit and run!

[Chorus]

You go and talk behind my back
Don't you know that's wack?
It's a personal attack
Oh snap!
Some friend you are to me
You're Miss Personality
Are you blind to see

You're such a Drama Queen?!
