Get down  
(Shake like an Earthquake)  
I saw shawty dancin' on the floor  
I'm kinda' nervous to approach her though  
She's so stylish like a supermodel  
Should I meet her, yes I think you oughta

The needle dropped  
My track was hot  
We began to rock  
Our eyes were locked

I love your song  
Yeah girl, sing along  
She said, "DJ's make my heartache"  
I said, "Baby watch the place  
Shake like an Earthquake"

Drop that 808  
The wall's begin to shake  
It's too much for the club to take  
(It's shakin' like an Earthquake)

Devastation from the sounds I'm makin'  
And there's no escaping from the bass  
(It's shakin' like an Earthquake)

Ten point O, on the Richter scale  
It's shakin' like an Earthquake, move your tail

'Bout that time my people all were quakin'  
Another Ten point O, was in the makin'

Like a natural disaster  
Run for the pasture  
'Cause the bass will flow  
Take you out like El Nino

It's rumbling, crumbling, all the way down  
It's tumbling, fumbling, you love that sound  
(Can you turn up the bass?)  
Sorry girl, I can't hear in this place

(I have a request that I'd like to make)  
Well, what you wanna hear girl?  
Shake like an Earthquake?

Drop that 808  
The wall's begin to shake  
It's too much for the club to take  
(It's shakin' like an Earthquake)

Devastation from the sounds I'm makin'  
And there's no escaping from the bass  
(It's shakin' like an Earthquake)

Ten point O, on the Richter scale  
It's shakin' like an Earthquake, move your tail

Yo, it's not loud enough  
Pump up the track  
(Ready?, Okay)

Boom, boom, you broke it down  
You broke it down, now build it up  
Build it up, build it up

Boom boom, you broke it down  
You broke it down, now shake it up  
Shake it up, shake it up

Boom boom, you broke it down  
You broke it down, now break it up  
Break it up, break it up, ooh

Drop that 808  
The wall's begin to shake  
It's too much for the club to take  
(It's shakin' like an Earthquake)

Devastation from the sounds I'm makin'  
And there's no escaping from the bass  
(It's shakin' like an Earthquake)

Ten point O, on the Richter scale  
It's shakin' like an Earthquake, move your tail

Shake it on down, shake it on down  
Shake it on down, move yourself  
When you hear that sound
