Let me tell you about it, stud.

You'll get chills all through your body  
and you'll lose all control of your bladder  
and your sphincter, that's your bum hole.

'Cause if you use toad, then I'm telling you...  
You can kiss your life goodbye.

Yeah when you use toad,  
It will mess you up.  
It will make your mama cry  
That's no lie,  
You'll choke on your tongue and die

You've got to give it up  
You got to give up the toad now  
It's no joke buddy, give it up  
You got to give up the toad now  
Or you'll croak  
You've got to give it up,  
And don't smoke  
Or you will see,  
It hurts to pee

There'll be blood, gushing from ya  
Every time that you cough  
And forget getting lucky,  
It falls off

Yeah you'd better wise up  
'Cause I'm telling you  
Toad is one Lando for bins

Got to give it all up  
Or you're gonna see  
Your whole life will hit the skids  
And your kids will be born without eyelids

You've got to give it up  
You got to give up the toad now

Thanks to you  
And just give it up

(Brian) Give up the toad now

Thanks to you, Lando  
Give it up  
Got to give up the toad now, Oh-oh-oooh  
I'm no fool, Lando's cool  
YEAH!!!
