Intro:

Oh oh oh oh

Love gone wrong

Verse 1A:

Baby stole my heart

When she broke in through my window

Pretty petty theft in stilettos

My baby doll's so ghetto

Verse 1B:

Shoplifting what she needs

Crime pays when the bill's on me

She picks pockets cause she knows it's free

She's so hood but she's good to me

Prechorus 1:

They said she'd do me wrong

They can say whatever they want

Honey took my money, It's a hit and run

She's my love gone wrong

Chorus:

She's my love gone wrong

She's my love gone wrong

You can say what you want, but she's chained to my
heart

My love gone wrong

Verse 2A:

Ain't enough you gotta steal from me

Now I gotta bail you out

You cashed out my bank account

They got another warrant out, for ya now

Still love ya anyhow

Verse 2B:

Shoplifting what she needs

The stores all send the bills to me

Still picking pockets seven days of the week

She's so hood but she's sweet to me

Prechorus 2:
Love gone wrong
Love gone wrong

Chorus
