Far away  
Miles apart  
I'm touching you from a distance  
Holding fast  
I can't last  
It's killing me cause I need you

It'll be okay  
I breathe in  
Just knowing that you're listening  
Yeah I'm holding back the tears right now  
Just tell me that I'm not alone

Cause I don't hurt when you say it  
I hear your words, I can make it  
I need you now, I want you now  
To tell me that I'm not alone

Tell me that I'm not alone  
Tell me that I'm not alone

My greatest fear is losing you  
Never wanna be the one to fail you  
There's no doubt, I'm missing out  
I'm not there, but I should be

I'm breathing in, I'm breathing in  
I Know, know  
Knowing that you're listening  
Yeah I'm holding back the tears right now  
Just tell me that I'm not alone

Cause I don't hurt when you say it  
I hear your words, I can make it  
I need you now, I want you now  
To tell me that I'm not alone

And you know that I can't wait  
I Wait to see your face  
I wonder why I ever leave  
Woahh

You're the reason I don't break  
And why I always say  
You're where I wanna be  
Closer than I'll ever be

[3x]

Cause I don't hurt when you say it  
I hear your words, I can make it  
I need you now, I want you now  
To tell me that I'm not alone

Just tell me that I'm not alone  
Just tell me that I'm not alone  
Tell me, tell me  
You tell me that I'm not alone  
You tell me that I'm not alone
