"Prom Night Dumpster Baby"

Visit "[Prom Night Dumpster Baby](#)" on MotoLyrics.com

I'm just a prom night dumpster baby
I got no mam or dad
Prom night dumpster baby
My story isn't long but boy it's awfully sad
Although I came from a hole
(Although I came from a hole)
I'm singin right from the soul
(I'm singin roight from the soul)

My fanny needs a blanket
And somebody to spank it
I miss my mam
But she's at the prom
So I'm prom night dumpster baby
Prom night dumpster baby
And I'm takin a stroll
(He's taking a stroll)
I'm takin a stroll
(He's taking a stroll)
I'm takin a stroll
(He's taking a stroll)
Hahaha I'm takin a stroll
(He's taking a stroll)

I'm takin a stroll
