My Batteries died sometime ago
Gotta heart shaped box where they must go
Corrosion's building everyday
My flesh is leading me astray that's why I started to
decay and I will slowly rot away but I can't feel
that anyway

This heart it wants to beat
These Lungs they want to breathe
Uh Wow Ah Ah Ah oh
These eyes they wants to see
Gotta Mouth that wants to sing

Desperation
Needing U
Every last breath
I scream for you
Shatter me into a million pieces...Make me new

Crush me, tear me, break me, mold me
Make me what U want me to be
I am ur's for U to use
Oh, Take and Replace me with U

Needing more than just a jump start to get me through
My disconnection is now the issue.....

I miss my 1st love bad and its driving me mad
Just Like a mixed up crazy person out of his head
Its been a long long time I've been on the decline
I do an a-bout face so I can be replaced. 180!!!
This heart it wants to beat
These Lungs they want to breathe
Uh Wow ah ah ah oh
These eyes they wants to see
Gotta Mouth that wants to sing

Des,Des,Des

Desperation
Needing U
Every last breath

I scream for you
Shatter me into a million pieces...Make me new

Crush me, tear me, break me, mold me
Make me what U want me to be
I am your's for you and me
So take me replace me with you

1 for the body
2 for the soul
3 to get ready
and GO,GO,GO

replace me with you

replace me with you

desperation
needing you
every last breath
i scream for you
desperation
needin you
every last breath
i scream for you
Shatter me into a million pieces...Make me new

Crush me, tear me, break me, mold me
make me what you want me to be
im am your's you and me
so take me replace me with you

replace me with you
