Warm out today
Warm Yesterday
Even warmer today

Met her on my CB
Said her name was Mimi
Sounded like an angel come to earth(come to earth)

When I went to meet her
Man you shoulda seen her
Twice as tall as me three times the girth(times the
girth)

Oh my fat baby loves to eat(loves to eat)
A big ol' bhudda-belly and her breasts swing past her
feet(feet)
My fat baby loves to eeeaaat
My big old fat ass baby loves to eat

I got blisters on me fingers!!
