Fear has taken me
To a place I know I shouldn't be
Pretending not to care
Seeing is believing now is here

Read my face
There's a past I can't escape
Yeah, I keep running
I keep running away
away

Superhero
Save my life tonight
I know that you'll be here to fight
I won't let go
Bring me in the light
Superhero
Save my life tonight
Save my life tonight

The spark is now a flame
The fire that you breathed inside of me
Now there is no doubt
There will be some knocking down
And dragging out

You built me up
And I'm forever changed
If I should fall I'll just call your name
Your name

Superhero
Save my life tonight
I know that you'll be here to fight
I won't let go
Bring me in the light
Superhero
Save my life tonight
Save my life tonight

Oh oh oh oh
Save my life tonight

Oh oh oh oh
Superhero
Superhero

Superhero
Save my life tonight
I know that you'll be here to fight
I won't let go
Bring me in the light
Superhero
Save my life tonight
Save my life tonight
