Put your s, s, s swagger on

Go on go on go on, I see hot people

Go on go on put your, put your swagger on

To the lovers, the haters, please congratulate us

You got to get educated 'bout the 808'ers

I sent the boom-shaka-laka shaka-laka to your house

Don't let it smack ya in yo swagga-lackin' mouth

I fly non-stop, first class

You in coach, you in da back

You go slow, I go fast

You shut down while I go blast

Neeerrr, right past ya

Ya lookin' like anotha disasta

Just face it, you wasted

Kickin' up dust, you taste it

Chorus (x3)
