North Star hanging in the sky
Shining down where He lies
Gonna meet a life changer
Sleeping in a manger, tonight

[Bridge]

Riding on the town into Bethlehem City
Hey, Girl, the Baby's so pretty
Got you some frankincense, got you some Myrrh
Gotta truck full of presents, should I dump 'em right
hurr?

[Chorus]

Gifts (for the Baby)
Presents (for the Baby)
I'll make it rain (all night on the Baby)
I got some Silver & Gold
Let the legend be told
Don't you know that I'm all about the Baby?
[x2]

Wrapped up in some swaddling clothes
(Hit the 411) You know I think that Mary knows
Yeah, we came this far
We are the kings that know who You are

[Bridge #2]

Camelback ride
All the way from my Hood
Got You incense, Baby
'Cuz it smells so good

[Chorus x2]

Where you put the Silver at?
Where you want the Gold?
Momma got some royalty
She gave the whole World

Fallin' from the sky
Yeah, it's gettin' kinda rainy
Porin' down rain

'Cuz I'm all about the Baby
Baby got a halo around his dome
I pop the polaroids of Baby for my girlie back home
I met that Baby
Man, could've sworn that He smiled
A wise man's swagga is a gift to that child.

[Chorus x2]
