Lois:

Brian, your standards are ridiculously high.
You will never find a girl unless you're willing to make
exceptions
and compromise so you can find your love.

Brian:

Lois, I don't think I have to compromise a thing.
I'd rather be alone than with someone who doesn't get
me.
Oh and how long has the coffee been on the burner in
the kitchen?
I could really use a cup about now.

Lois:

Oh it's not very fresh. You see I meant to make more
But I made the mistake of getting caught up watching
Oprah
She had on James Garner

Brian:

James Garner, what's he plugging?

Lois:

I don't know; some crappy movie on TNT.
