You'll get chills all through your body
and you'll lose all control of your bladder
and your sphincter, that's your butt hole.

'Cos if you use toad, then I'm telling you...
You can kiss your life goodbye.

Yeah when you use toad,
It will mess you up.
It will make your mama cry
That's no lie,
You'll choke on your tounge and die

You've got to give it up
You got to give up the toad now
It's no joke buddy, give it up
You got to give up the toad now
Or you'll croke
You've got to give it up,
And don't smoke
Or you will see,
It hurts to pee

There'll be blood, gushing from ya
Everytime that you cough
And forget about getting lucky,
It falls off

Yeah you'd better wise up
'Cos I'm telling you
Toad is only meant for bins

Got to give it all up
Or you're gonna see
Your whole life will hit the skids
And your kids will be born without eyelids

You've got to give it up
You got to give up the toad now
Thanks to you
And just give it up

Give up the toad now (line sung by Brian)
Thanks to you

Give it up
Got to give up the toad now, Oh-oh-oooh
I'm no fool, Lando's cool
YEAH!!!
