

Family Guy

"I've Got A Little List - Stewie Griffin"

Visit "[I've Got A Little List - Stewie Griffin](#)" on MotoLyrics.com

As someday it may happen that a victim must be found.
I've got a little list, I've got a little list.
Of society offenders who might well be underground,
and who never would be missed, who never would be missed.

There's the white kid with the baggy clothes who's
talking like he's black.
The girl you date who doesn't get the jokes in
Caddyshack.
The Asian guy who cuts in front of every single line,
and Britney Spears for accidentally showing her vagina.
And Bill 'O Rileys ineffective dermatologist.
May none of them be missed, may none of them be missed.

He's got them on the list.
He's got them on the list.
And may none of them be missed.
May none of them be missed.

There's the guy behind the news reporter waving like a fool
And senator Bill Frist, I've got him on the list.
And the fat kid smiling warmly while he's peeing in the pool.
He never would be missed, he never would be missed.
There's the foul smelling boy who comes to school in camouflage,
and every bleeding member of the cast of Entourage.
And while we are on the subject HBO deserves a whack
for ending the Sopranos with a fucking cut to black.
And guys who when you shake their hand just bump
you with their fist.
I don't think they'd be missed, I'm sure they'd not be missed.

He's got them on the list.
He's got them on the list.
And may none of them be missed.
May none of them be missed.

Theres the guy who sits beside you and keeps
farting on the plane.
And Shakiras lyricist, I've got him on the list.
And the smarty on thanks giving who says its the "trip
to fame."
He never would be missed, he never would be missed
Theres the blonde who tells you loudly with a
voice just like a knife "you know someone should
do a sicom based around my life!"
The guy who watched The Simpsons back in 1994 and
wont admit the
damn thing is'nt funny anymore.
And a-n-y-one and everyone whos ever made me
pissed!

I've got them on the list
May none of them be missed.
May none of them be missed!
