Chorus: (Stewie)

His name is stewie (I say)

He's throwing you, a sexy party (Sexy)

I'm so in love with Stew

The only baby who's got it all figured out

You better gonna get in on it now, (You got that right)

he's gonna take over the world oneday

Stewie:

Welcome to my sexy party

have a breast milk, with a dash of Bacardi

The women will converse with you about wealth

or shoes, or the weather, and everyone's health

we're all celebrating with smiles on fold,

as I make preperations to take over the world

and just so it won't seem awfully strange

I'll tell you right now whats going to change

Beyonc© Knowles will massage my head,

and i'll make Kid Rock bring me breakfast in bed,

and Britney's husband will feel my rath,

when my army makes the little fucker take a bath

Chorus: (Stewie)

His name is stewie (That's right)

He's throwing you, a sexy party (No shit)

I'm so in love with Stew

The only baby who's got it all figured out

You better gonna get in on it now, (You got that right,

ladies)

he's gonna take over the world oneday

Stewie:

When I rule the world, I don't want to hear giggles,

I'll not be disturbed while I'm watching the Wiggles

and maybe this is going out on a limb

but i'll expect better jokes on According To Jim

and Starbucks will use the words large and small

not pretentious crap like grande and tall

and just to give babies a fighting chance

i'll make it socially acceptable to shit in your pants

and curfew times will be no more

you can stay out till 2 or 3 or 4  
but who's going to make you go to bed  
certainly not Lois, the bitch'll be dead

Chorus: (Stewie)

His name is stewie (I'm Stewie, that's right)  
He's throwing you, a sexy party (I'm the craziest player)  
I'm so in love with Stew  
The only baby who's got it all figured out  
You better gonna get in on it now, (Yes indeed)  
he's gonna take over the world oneday

Stewie:

When i'm ruler of the world, I'll use my might  
to put more Plinko on The Price is Right  
and Madonna will perform at my palace, live  
cause she still looks beautiful at 75  
and Banana Republic will feel my rage  
when I order them to stop asking me if  
I want a fucking 10% discount card, alright?  
all I want is this shirt, and these pants, okay,  
and I know you guys get like, like a store commission  
everytime you sell one of these things, and that's great  
and your parents are probably really fucking proud of  
you...

Stewie: (speaking ontop of the chorus)

oh, Juniors got a job, he's doing well,  
oh everythings honky dorey in the family  
oh, you know what, ok,  
right in the middle of a sentence there,  
and you interupted me, are you ladies  
even listening to what I'm saying, hello, hello,  
damn you, I will not be ignored, oh fuck,  
fine, i'll just go suck on Lois' breast or something  
damn you all!
