Come here my dear and lend an ear
I'll tell you things I'm feelin'
My feelings true and all for you
I'm tired of jigs and reelin'

The day is long don't get me wrong
This is the same old story
We'll have our time, I've had my wine
I'll take no fame nor glory
I'll take no fame nor glory

Blue eyed Suzie,
Old King George I'll put all down
Blue eyed Suzie
Can it be she'll sleep so sound

I've been out there for forty years
Seems forty years and passin'
And what it's worth I'm telling your
For what it's worth I'm askin'

You'll see your green behold you will
My colours grey that fashion
The rose in bloom, the daffodil
A farmer's blade a thrashin'
A farmer's blade a thrashin'

Little black shoes on blue eyed Suzie
Old King George I'll put it all down
Little black shoes on blue eyed Suzie
Old King George I'll put it all down
Little black shoes on blue eyed Suzie
Old King George I'll put it all down
Little black shoes on blue eyed Suzie
Can it be she'll sleep so sound

If this is true thatn why don't you
forget old deeds, undo them
And bye-and-bye we'll breathe a sigh
For now I must be movin'

Come by here and lend an ear

I'll tell you things I'm feelin'
My feelings true and all for you
I'm tired of jigs and reelin'
So tired of jigs and reelin'

Blue eyed Suzie,
Old King George I'll put all down
Blue eyed Suzie
Can it be she'll sleep so sound

Little black shoes on blue eyed Suzie
Old King George I'll put it all down
Little black shoes on blue eyed Suzie
Old King George I'll put it all down
Little black shoes on blue eyed Suzie
Old King George I'll put it all down
Little black shoes on blue eyed Suzie
Can't believe she'll sleep so sound
