Now after all this time your standing at my door  
Just when I cleared my mind your coming back for  
more  
Well it doesn't work that way you see I'm over you  
And now, there's nothin left to say just find someone  
new

40 days and 40 nights the rain came pouring down  
40 day and 40 nights no dry land to be found  
Torrents of rushing water, birds in endless flight  
Your nowhere to found, 40 days and nights

Oh I, remember when everything was fine  
When I look back again they were such happy times  
But you, had to go and change made everybody blue  
Now the stories been rearranged so find someone new

40 days and 40 nights the rain came pouring down  
40 day and 40 nights no dry land to be found  
Torrents of rushing water, birds in endless flight  
Your nowhere to found, 40 days and nights

Well I gotta go, see I'm real short of time  
It would be nice I know, but see I've read between the  
lines

And hey, don't you look so sad it wasn't easy for me  
too  
And worry, it's not that bad to find someone new

40 days and 40 nights the rain came pouring down  
40 day and 40 nights no dry land to be found  
Torrents of rushing water, birds in endless flight  
Your nowhere to found, 40 days and nights
