He's the 1432 Franklin Pike Circle hero  
And you can see him every weekend  
With a car full of kids and snow cones

And the people cross town don't know his name  
But on Franklin Pike Circle, he's king  
1432 Franklin Pike Circle hero

Well, at five thirty-five at  
The corner of Franklin and Warner  
A blue station wagon comes  
Sliding around the corner

And on down Franklin Pike Circle  
All you're seeing is a streak of blue  
And pulls in the drive at the address of 1432

And he says, my head aches and my back hurts  
And I don't feel like talking  
Don't want to go to the show to see Doctor Zhivago  
Don't wanna take the dog out walking

I wanna sit right here in this easy chair  
It's been a jungle all day, you know  
The 1432 Franklin Pike Circle hero is home

He was out pitching ball with the  
Kids in the neighborhood yesterday  
And the old major leaguer had to quit  
'Cause he said he threw his arm away

And the kids all hid behind the hedge  
And laughed at him but wouldn't let it show  
Because they love him so,  
He's the 1432 Franklin Pike Circle hero

He's the 1432 Franklin Pike Circle hero  
And you can see him every weekend  
With a car full of kids and snow cones

And, you know people cross town  
Don't know his name

But on Franklin Pike Circle, he's king  
1432 Franklin Pike Circle hero

Well, he won a little pony at the  
Hill High auction just the other day  
And he didn't mean to do it  
And he wanted to give the pony away

When they called out his name  
He tried not to claim it  
But the kids started crying  
'Cause they'd already named it

And who's up every Saturday morning  
Saddling his new toy, you guessed it  
The 1432 Franklin Pike Circle cowboy

He's the 1432 Franklin Pike Circle hero  
And you can see him every weekend  
With a car full of kids and snow cones

During Christmas, took the kids  
Down to see the floats  
When he wanted to stay home  
And watch the Baltimore Colts  
1432 Franklin Pike Circle Hero

Well, the ten-thirty news usually  
Finds our hero is a sleepy head  
And Peter's out somewhere wrecking the car  
And the rest of the kids have gone to bed

So she takes his hand  
They climb the stairs and he falls asleep  
And she bends over him so tenderly  
To kiss his cheek

'Cause she loves him so  
And she's lucky, you know  
To be married to the 1432  
1432 Franklin Pike Circle hero

He's the 1432 Franklin Pike Circle hero  
And you can see him every weekend  
With a car full of kids and snow cones

Christmas time, he took  
'Em down to see the floats  
When he wanted to stay home  
And watch the Baltimore Colts  
He's the 1432 Franklin Pike Circle hero
