Get those Chinese eyes
Live in love and lies.
Her love is my defeat
Desire has turned to heat and more.
My mind has gone insane
My body burns in flames and more.
Fire in your eyes - get those Chinese eyes.
Fire in your veins - chains and pains.
Fire in your eyes burn me twice

Love me with your Chinese eyes.
Fire in your veins
Chains and pains

Show me all your Chinese games.

You do what I want dare
You do it all with care and more.
You give me a relief
With your internal heat and more.
Fire in your eyes burn me twice

...

Fire in your eyes burn me twice
Love me with your Chinese eyes.
You satisfy my lust
You do it till I bust and more.
You chain me like a slave
You drown me in your waves and more.
Get those Chinese eyes.
