Hey, hey, hey
Hey, hey, hey
What's up?
Hey, hey, hey
Hey, hey, hey
What's up?

Just in case, check the pace
I rock this place, so I got in ya face 'cause I got what it
takes
I wanna see you back up, don't clean your act up
Walkin' like I own it, now I clean the crap up

Do it, groove it, come on gotta move it
I can see you looking and the calender needs booking
I know you wanna talk, come before I walk
Get it right cream of the crop

I'm having fun, your the one
So let's start dancing, cancel all your plans
And let me know witch way you wanna go
I got crazy flow its a real big blow

And if you got rhythm and your out to kill 'em
Just feel the feeling 'cause your real appealing
Everybody's dancing, making plans
Slip me a napkin' and get to clapping

Hi papa, can I get them digits?
Papa, can I get them digits?
Hi papa, can I get them digits?
Papa, can I get them digits?

Hi papa, can I get them digits?
Papa, can I get them digits?
Hi papa, can I get them digits?
Papa, can I get them digits?

Hey, hey, hey
Hey, hey, hey
What's up?
Hey, hey, hey

Hey, hey, hey
What's up?

Let me in show that skin, I can see you grin
Your smiling within 'cause you know I'm a sin
How I look? And how I talk?
Your heart when I stole it, now let me consul it

You fold it around me, move on the down beat
Thank God, you found me, I'm glad you don't hound
me
Hocas Pocas, I am the focas
Most guys chasin' me like locas

And you keep your distance, you don't loose
persistence
I'm feeling what your feeling, jump into the ceiling
I don't know what to think, your buying me a drink
Girl's hearts sink while I'm pretty in pink

But I see you smile, your worth ma while
Want you to a file to add you to the pile
So before we go to the bridgits
It's necessary you give me them digits

Hi papa, can I get them digits?
Papa, can I get them digits?
Hi papa, can I get them digits?
Papa, can I get them digits?

Hi papa, can I get them digits?
Papa, can I get them digits?
Hi papa, can I get them digits?
Papa, can I get them digits?

Hey, hey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, hey, hey

Huh, huh, what's up? What's up?
Huh, huh, a what's, a what's, a what's up?

Hi papa, can I get them digits?
Papa, can I get them digits?
Hi papa, can I get them digits?
Papa, can I get them digits?

Hi papa, can I get them digits?
Papa, can I get them digits?
Hi papa, can I get them digits?
Papa, can I get them digits?

Hi papa, can I get them digits?
Papa, can I get them digits?
Hi papa, can I get them digits?
Papa, can I get them digits?

Hi papa, can I get them digits?
Papa, can I get them digits?
Hi papa, can I get them digits?
Papa, can I get them digits?
