Feel I'm on a race track
There is no escape.
Lookin' for the green light
I'm tryin' not to break.
Waitin' for the action
My muscles starts to shake.
Loosin' my protection
I want it now
I need it now !

Get lost tonight
We are on the fire burnin' out the light.
Get lost tonight
I'll take you higher
Higher than a kite.
Get lost tonight
Get me excites
Treat me like a slave.
Get lost
You never free me
Keep me in your cage
Get]

Could you get position if you go astray?
Mystery in your passion
I loose control today.
Show me all your secrets
Take me all the way.
Now my pulse is racing
I want it now
I need it now !
Get lost tonight
We are on the fire burnin' out the light. .

You break your changes as special exercise
Get lost!
I break my changes
This is what I like
Get lost!

Get lost tonight

Get lost tonight
Get lost tonight
Get los
Get lost tonight
We are on the fire buniin' out the light. .
You break your changes as special exercise
Get lost! . .
