No time to play
At seventeen
I cross the way
With crazy dream
At seventeen
I had a dream
I'd go to school
To learn it all
I've been no fool
I would not fall
Learned it all
And didn't fall

Diamonds in my hand
Life on tick is grand
Self made credit cards
Luxury Life
Luxury Life
Changing names ain't hard
Luxury Life

Got me a house
And a real big pool
I'm short of cash
But I play it cool
Run away
From yesterday
Hey man I'm having
A real good time
No man I never
Had a dime
Millionaire
Love affair
