I was twenty
And you were thirty two
Thank god you had the patience to deal with me
You were my hero
And i was hyperactive
But you didn't seem to mind that much

And it's so often
I think of you
You taught me so much
Who will i go to

Doctor blue
Always true
Even if the team lost all year
We dressed like clowns
Walked all around
You know that people though we were crazy

I know you're up there
In heaven
One thing i ask of you
Is please remember me on the other side

Now im twenty seven
And you were thirty eight
Thank you for all your time it meant so much to me
I know i bugged you sometimes
Thanks for loving me
You seemed to be the only one who understood me

And it's so often
I think of you
You taught me so much
Who will i go to

Doctor blue
Always true
Even if the team lost all year
We dressed like clowns
Walked all around

You know that people though we were crazy

Doctor blue

Always true

Even if the team lost all year

We dressed like clowns

Walked all around

You know that people though we were crazy

I know you're up there

In heaven

One thing i ask of you

Is please remember me on the other side
