When I saw you on the corner  
Then I knew that I was a goner  
I've had it, yeah, I've had it

First you tell me you love me only  
Then you go and you leave me lonely  
I've had it, well, I've had it

La la la la la...

When you ask me to be your baby  
Then you tell me  
I'm driving you crazy  
I've had it, yeah, I've had it

First you call me for a date  
Then you show up two hours late  
I've had it, ooh, I've had it

La la la la la...

Come on

When I saw you on the corner  
Little did I know  
That I was a goner  
I've had it, oh, yeah  
I've had it

B-b-b-baby you tell me  
That you want to  
Keep me for yourself  
How come I saw you  
With somebody else

I've had it, oh, yeah  
Said I've had it

La la la la la...

Oh, oh, oh, I've had it

La la la la la...
