I'm taking the shade out of the sun  
Whatever made me think that I was number one  
I oughta know, easy come, easy go  
Sittin' it out, I'm spinnin' the dial  
Thinkin' about the chump I've been , I have to smile  
Didn't I know, easy come, easy go  
She wasn't kind, I wasn't smart  
I lost my mind and fell apart  
I had to find myself in time,  
Now I can start all over again  
Just Hangin' around, takin' it slow  
So happy I found I still can smile and dig the show  
Lettin' me know, easy come, easy go
