[CHORUS]

You better lose her  
She's a loser  
Lose her before  
You lose your mind  
Get a minute and you'll find  
She's the aggravating kind  
Just lose her  
Leave her far behind

You meet a girl  
And she's looking good  
Stop the world like  
A real man should

Just think right  
She'll put you down  
(Let's go to the  
Swingingest club in town)

[Repeat CHORUS]

So, uh, after the club  
You take her home  
Folks are out  
And you're all alone

She whispers  
Oh, so tenderly  
(You get no kisses  
Till you marry me)

[Repeat CHORUS]

So after the wedding  
You are settled down  
With lots of in-laws  
Hanging all round

And every day  
She'll so softly say  
(You don't love me anymore)

(You never tell me you love me anymore)  
(You're nothing but a no good alley cat)

You better lose her  
She's a loser  
Lose her before  
You lose your mind
