Together again
Me and myself
Wings on my shoes
Losing the blues
Being myself

Maybe you're gone
But I'm living on
So, baby, amen
I'm together again

I got the sun winking on me
Playing that warm like
I was born feeling on me

Feeling so good
I'm knocking on wood
Hey, baby, amen
I'm together again

You'll never witness
This man break down and cry
Maybe I'll drop a tear
But something's got in my eye

Together again
Ah, me and myself
Wings on my shoes
Losing the blues
Just being myself

Maybe you're gone
But I'm living on
I'll say it again
Baby, baby, amen
I'm together again

Bye, baby, bye, baby
Bye, baby, bye bye

Maybe you're gone

But I'm living on
I'll say it again
Baby, baby, amen
I'm together again

Bye, baby, bye, baby
Bye, baby, bye bye
