I say she's gonna run run run
That girls gonna ru and she's gonna run
That girls gonna run and she's gonna run
That girls gonna run and she's gonna run

She's an actress know how to...
Eyes are... like... and fuck the range
Now that's... major plans like...
I caught her like... cause she's through with you
You are the only one... know me
... I must have made you look like...
Catch me if you can

I say she's gonan run run run
That girls gonna run and she's gonna run
That girls gonna run and she's gonna run
That girls gonna run and she's gonna run

Hey girl I know that you gon run but see I know that'chu
will be back back back back
Aye girl I know that you gon run but see they always
come back back back back
Looking like me smoking... (can't understand)too much
tree I can't be chosen you
So why the fuck you got me over here runnin after you
Let's keep it cool bablets talk about... (Can't
understand)
... (Can't understand)
... (Can't understand)

I say she's gonan run run run
That girls gonna run and she's gonna run
That girls gonna run and she's gonna run
That girls gonna run and she's gonna run

She's gonna run
Run run run
That girls gonna run and she's gonna run
That girls gonna run and she's gonna run

That girls gonna run and she's gonna run

She says she wanna be my friend
But I don't wanna be her friend
... look at the stairs... believe her
A dive... I really need to see her
Tell your friend Lisa I was trying to reach her

Run run run
That girls gonna run and she's gonna run
That girls gonna run and she's gonna run
That girls gonna run and she's gonna run
