And you never heard it like this before  
You're gauranteed to come back for more

Here we go yo  
Live and direct  
The prettiest girls  
Who cash the most checks  
Straight to the bank in cars  
Never walking  
Looking mad cute  
And cell phone talking  
Fellas  
They all jock my crew  
The buy us dinner and jewelry  
And shoes  
When it comes to attention  
We're the center  
They come to my crib  
And they try to enter

I kick rhymes  
Just for fun  
Brooklyn, New York  
Is where I'm from  
The place I dwell

New York City  
Where girls like us  
Become so pretty  
What a pity  
Your comittee  
Can't hold a candle to my city  
We're so pretty  
Ass and titties  
The home of Biggie  
And P. Diddy

And you never heard it like this before  
Throw your hands in the air  
And wave em like you just dont care  
Getting down with these sureshot sounds

Somebody say Oh Yeah

Braggin and boastin  
Carrying toast and  
Riding my bike  
Flatbush, just coastin  
Money and clothes  
The latest fashion  
The center of the world  
With all the action

Champagne bubblin  
Causin mad trouble and  
You better feel this song real quick  
On the double and  
I'm out smugglin  
Boyfriend jugglin  
Making a splash like jumpin in a puddle and...

We love fashion  
Dancehall mashin  
Whiplashin  
Mercedes crashin  
Egg Mc Muffins  
Stove Top Stuffin  
My chef, any food  
It ain't nuffin  
On the block puffin stuff  
Like H & R  
My homeboy Fancy plays guitar  
Laugh at a joke  
Hardy har har har  
Fake IDs get me into the bar

Repeat Chorus

The beats are cripplin  
Potato chips I'm dippin in  
I might take a sip of your bottle of ripple and  
Grape nurple nipplin  
Tim Leary trippin in  
I know you wanna hit it  
But stay offa my tip in in  
Studio arrangin  
People are strange and  
Where my dogs at  
You better handle that mange and  
Going insane and  
Dealing with my brain and  
Quick switching lanes then  
Hopping on a plane then

I graduated  
Teachers hated  
Tests were graded  
And overrated  
I am jaded  
You debated  
Unmotivated  
And rollerbladed  
Boys Ive dated  
Some have skated  
Cheese gets grated  
Animals mated  
Bread gets toasted  
Parties hosted  
His nuts got roasted  
But he still boasted

Repeat Chorus
