(Verse)

If I didn't love you so much
If I didn't care enough,
I would've been out that door, years ago.

But if I didn't get too hurt,
If you didn't chose me first,
I would've rather been alone, by myself, at home.

I didn't want you to take my hand,
But I kinda like the thought of having a man,
Now I'm so done with that.

(Chorus)

If I was a bird, I would fly out of here,
Forget everything and travel the world.
If I was a bird, I would spread my wings so I can survive
and get away from you.
If I was a bird, if I was a bird,
If I wasn't in love.

(Verse)

My heart was in pieces that was built up on lies

Where is my armor to block this whole vibe?

Oh oh oh, I didn't want you to take my hand,
But I kind of like the thought of having a man.
But I'm so gone....

(Chorus)

If I was a bird, I would fly out of here,
Forget everything and travel the world.
If I was a bird I would spread my wings so I can survive
and get away from you.
If I was a bird, if I was a bird,
If I wasn't in love.

If I was a bird, if I was a bird,
If I wasn't in love.

If I was, If I was...
