(Verse 1)

Sometimes us women
we give more than we should to a man
That just don't treat us good no
Gave him my heart, my time
Did all that I could in the past
To keep him here with me yeah

But now I woke up
Opened both my eyes up
Realized that I don't need any other
Man, if he can't love me equally
Then he don't need to be with me
Nothings more beautiful than nothing your worth
And finally, I know exactly what I deserve

(Chorus)

I'm doing me (this time around)
Doing me (don't need you now)
I'd rather be by myself
I won't let your drama hold me down
I'm doing me (this time around)
Doing me (cause I finally found)
I'd rather be by myself
I'm doing me yeah

(Verse 2)

Won't spend another minute wasting my time
On a man, that only tells me lies (nooo)
Ain't saying no no no no no that I don't need love
But then games, I don't need that in my life (nooo)

(Chorus)

I'm doing me (this time around)
Doing me (don't need you now)

I'd rather be by myself
I won't let your drama hold me down
I'm doing me (this time around)
Doing me (cause I finally found)
I'd rather be by myself
I'm doing me yeah

(Bridge)

Now I could pray for you to act right everyday
But it ain't up to me to make you change
Life is too damn short to live unhappily
So I'm being selfish, putting myself in first place

(Chorus)

I'm doing me (this time around)
Doing me (don't need you now)
I'd rather be by myself
I won't let your drama hold me down
I'm doing me (this time around)
Doing me (cause I finally found)
I'd rather be by myself
I'm doing me yeah

I'm doing me (this time around)
I'm doing me (this time around)
No more crying going through hell
It's all good I'm loving myself
I'm doing me (this time around)
I'm doing me
I'm doing me (yeah)
I'm doing me (yeah)
