[Verse 1:]

I'm not scared if I bleed  
If I tear it proves to me  
The love I shared was worth  
Every drop (drop, drop, drop)  
And lord know I don't want  
This to stop

[Chorus:]

I wanna go in deep  
With you  
I wanna go in deep  
With you  
I wanna feel your scares  
And cherish every flaw  
I wanna go in deep  
With you

[Verse 2:]

I wanna dig my nails into you  
Strip you down to your truths  
Take your dark side  
I'll take your sunshine too (too, too, too)  
I'll let you inside  
And you can have mine too

[Chorus:]

I wanna go in deep  
With you  
I wanna go in deep  
With you  
I wanna feel your scares  
And cherish every flaw  
I wanna go in deep  
With you

[Bridge:]

I wanna go in deep  
Oh  
I wanna go in deep  
Yeah with you

I wanna go in deep  
Oh, oh  
Oh I wanna go in deep  
Hey with you

[Chorus:]  
I wanna go in deep  
With you  
I wanna go in deep  
With you  
I wanna feel your scares  
And cherish every flaw  
I wanna go in deep  
With you
