"On And On"

Lately baby you've been nonchalant.
Where did the love go?
But then you tell me where you feelings are.
Where did the love go?
The things I say just seem to bother you.
Where did the love go?
Its in one ear and out the other.
Where did the love go?

Its karma, coming back to get me.
Did I ever hurt somebody.
But If i did. Im so sorry.

Tired of holding on
When you keep on letting me go.
I can be strong
I can be strong for you and be bold
This breaks my heart
Cause I really thought that we were close
Guess I was wrong
Wrong for thinking It wouldn't go
On & On & On (It goes)
On & On & On (Oh, it goes)
On & On & On (It goes)
On & On & On

Now it feels like baby we're just lost.
Where did the love go?
The price of love is such a heavy cost.
Where did the love go?
So I feel like Im better off alone.
Where did the love go?
Cause It feels like you don't know the womans worth.
Where did the love go?

Its karma, coming back to get me.
Did I ever hurt somebody.
But If i did. Im so sorry.

CHORUS

Same thing once again. (Here we go)
It keeps on happening.
-----?
If this keeps going on.
I cant be strong.
I gotta let you go.

CHORUS 2X
