## "Only One U"

There's only one u, there's only one u  
There's only one u, you're the only one  
You're the only one, you're the only one, oh, oh

My baby he's the perfect ten  
He punches in at nine, ate the breakfast that I made for  
him  
Hops in the seven, he gets six figures  
When he gets up at five, I'm the one he's hungry for

Three little letters and I'm in the mood  
And he's the only man that I give it to  
If your man don't be stressin' you, need to count your  
blessin's  
Lady, let me see them hands now, help me with this  
countdown

Ten, so many reasons why I sleep with you  
Nine, mind and my body a dozen 'cause of the things  
you do  
Eight, I want you here with me, seven days of the week  
Six, if I let you go I'm a fool 'cause boy there only one u

Five, said I never want to let you go, that's from my  
heart  
Four, ever and ever just to be with you that's all I want  
Three, no, I never want to leave, your our love is two  
good to me  
Two, represent thank God you came through  
That's why there only one u

I count the second 'til he's at the door  
I kissed his lips at least at thousand times before  
Still get that feelin' my knees get to tremblin'  
My head starts to spinnin', he's one in a million to me

And he don't have to say a word  
When he hits me with a dozen red roses  
I know I got a winner, so if you got a winner  
Ladies let me see your hands now, help me with this  
countdown

Ten, so many reasons why I sleep with you  
Nine, mind and my body a dozen 'cause of the things  
you do  
Eight, I want you here with me, seven days of the week  
Six, if I let you go I'm a fool 'cause boy there only one u

Five, said I never want to let you go, that's from my  
heart  
Four, ever and ever just to be with you that's all I want  
Three, no, I never want to leave, your our love is two  
good to me  
Two, represent thank God you came through  
That's why there only one u

Can't see me without you by my side  
So many reasons why I'm your girl and your my guy  
Your all I need, how I need to get by  
Like Method and Mary Blige, you don't have to wonder  
why

Ten, so many reasons why I sleep with you  
Nine, mind and my body a dozen 'cause of the things  
you do  
Eight, I want you here with me, seven days of the week  
Six, if I let you go I'm a fool 'cause boy there only one u

Five, said I never want to let you go, that's from my  
heart  
Four, ever and ever just to be with you that's all I want  
Three, no, I never want to leave, your our love is two  
good to me  
Two, represent thank God you came through  
That's why there only one u

There's only  
(There's only one)  
Oh baby, only one  
(There's only one)

Oh, you baby  
(There's only one)  
Ain't nobody do it like you do, boy  
(There's only one)

Oh, there's only  
(There's only one)  
Oh baby, only one  
(There's only one)

Oh, you baby  
(There's only one)

Ain't nobody do it like you do, boy  
(There's only one)  
Oh, only you yeah, baby, nobody else
