â€¢ Whoa hoa, whoa hoa, whoa hoa, whoa aaah)

Verse 1:

I know im not weak  
These are heavy thoughts  
Leaving on my mind (Oh aaah)  
I got cargo with me  
All these memories feel  
Like a thousand pounds (Oh aaaah)  
In my bed tryna sleep  
The ceiling lowers down  
I feel it on me now (Whoa oh aaaah)

Bridge:

I can read verses  
Further and further  
I just can't do this alone  
I just can't do it alone  
I can board airplanes  
Higher and higher  
I just can't move em alone  
I just can't move em alone  
It's too heavy for me

Chorus:

Overload, overload, Overlo-whooad  
Take over for me  
It's too heavy for me  
Overload, over load  
I know superman won't save  
But can somebody lend a hand  
It's too heavy for me  
Overload, Overload, Overload

Verse 2:

Drag my life along  
By the end of the rope  
Ima make it by  
I'm trying  
On the other side  
Someone's tugging hard  
Only getting stronger (whoa oh aaah)  
Balance bricks on my shoulders  
With concrete in my shoes  
I'm not strong enough

Help me out, help me out

Repeat Bridge

Repeat Chorus

2nd Bridge:

I can't climb no mo up the world

With both my hands here holdin the world

And both my hands can't hold up the world

It's coming down, it's coming down

Repeat Chorus
