If It Aint Me & My Momma Getting Into It.  
Then Its My Job & How I May Loose It.  
& If It Aint That Its You, You, You.

If It Aint Dealing With Drama From My Girlfriends.  
Its Trying To Figure Out How To Make Ends Meet.  
& If It Aint That Its You, You, You.

I Remember Them Times When Id Run & Tell You,  
When Things Would Happen. .  
You Would Hold Me And Say Something Like. .  
Baby Everything Gone Be Alright.  
Oh How The Moments With You.  
Make Me Feel Like Things Will Get Better.  
Now When I Get Some Bad News. .  
Lately Its All About You.

& I Can I Do Bad All By Myself.  
But It Never Mean I Want To.  
So. . I Think Its Time That I Go Solo  
Cause Your Really Taking Me Solo Solo  
I Don't Wanna Go.

I Been In This & I Need 2 Get Out  
& Now Is The Time To Tell You  
That Im Boutah Go Solo Solo  
Cause You Really Taking Me Solo Solo

If It Aint The Car Breaking Down  
Or Something In The Crib  
Then Its Them Boys Hustling Where I Live  
& If It Aint That Its You, You, You

& If It Aint Somebody Hating, Somebody Waitng  
For My Damn Car Im Trying To Stand Tall  
& If It Aint That Its You, You, You

I Remember Them Times When Id Run & Tell You,  
When Things Would Happen. .  
You Would Hold Me And Say Something Like. .  
Tasia Everything Gone Be Alright.  
Oh How The Moments With You.

Make Me Feel Like Things Will Get Better.  
Now When I Get Some Bad News. .  
Lately Its All About You.

& I Can I Do Bad All By Myself.  
But It Never Mean I Want To.  
So. . I Think Its Time That I Go Solo  
Cause Your Really Taking Me Solo Solo  
I Don't Wanna Go.

I Been In This & I Need 2 Get Out  
& Now Is The Time To Tell You  
That Im Boutah Go Solo Solo  
Cause You Really Taking Me Solo Solo

Oh How The Moments With You.  
Make Me Feel Like Things Will Get Better.  
But Every Time I Hear Some Bad News. .  
Lately Its All About You.

Heeeeeey Hey Hey HEY
