This that ghetto club R&B
They heard this before
Y'all get ready
(Fantasia, Fan, Fan, Fan, fan, Fantasia)

It ain't everyday when I say who that
Impressing me is kinda hard but you did that
You got me curious to see where you at
Which you game when I see can you get that

Well, if so then good news you qualify
To get something you ain't never had in your life
A little bit heaven you hear the angels singing
This stuff is so good you'll throw it up and

Watch it turn into sunshine
Yup it like that you never had it like this
If you ever get some of this sunshine
And make it rain money, all for my honey
You'll never find a 'ere another

To stop this hot burning up the block
Not a 'ere 'nother, not a 'ere 'nother
This good, this good the best in the hood
Not a not a 'ere 'nother, you're 'ere 'nother
Turn into sun shine

When I say it boy I mean
When it come out it brighten up your day boy I promise
And when you go it down you go along with it gotta
Stay all night till dawn hope you get it

Well, if so good news you qualify
To get something you ain't never had in your life
A little bit heaven you'll hear the angels singing
This stuff is so good you'll throw it up and

Watch it turn into sunshine
Yup it like that you never had it like this
If you ever get some of this sunshine
And make it rain money, all for my honey
You'll never find a 'ere another

To stop this hot burning up the block
Not a 'ere 'nother, not a 'ere 'nother
This good, this good the best in the hood
Not a not a 'ere 'nother, you're 'ere 'nother
Turn into sun shine

Watch the rays from the sun hit the money
I shine so bright that's why you want me
I know the sun make it grow, the sun make it grow
The sun make it grow, I throw it up

Watch the rays from the sun hit the money
I shine so bright that's why you want me
I know the sun make it glow, the sun make it glow
I throw it up

Watch it turn into sunshine
Yup it like that you never had it like this
If you ever get some of this sunshine
And make it rain money, all for my honey
You'll never find a 'ere another

To stop this hot burning up the block
Not a 'ere 'nother, not a 'ere 'nother
This good, this good the best in the hood
Not a not a 'ere 'nother, you're 'ere 'nother
Turn into sun shine

Like this, like this
Watch it turn into sunshine
And make it rain money, all for my honey
You'll never find a 'ere another

To stop this hot burning up the block
Not a 'ere 'nother, not a 'ere 'nother
